“What You’re Saying!”

Stacey, your performance was amazing for our children's birthday party! The kids loved dancing and singing along with you! The instruments and props were a great addition to fun too! I've never seen kids so crazy over bubbles! The parents of the other children said they loved the job you did and they enjoyed watching their kids have so much fun!

Thanks ~ **Ben H.**

We've booked Stacey Peasley for several special events for our school and the greater community in the past and not only is she a pleasure to work with, the kids just loved the show! Stacey was flexible (one show was outside in a large venue and another was in a cramped space) and always eager to make each event 'just right' for the audience she had. The kids and families loved all the fun props she brought and the kids danced and sang along! We will definitely book Stacey again for many more shows in the future!

Hi Stacey - just wanted to say THANK YOU for yesterday. The kids had a great time and the teachers thought you were terrific!!! What better endorsement can you get! I will definitely keep you in mind for future events and next summer's program.

Thank you so much for making Alyson's 6th birthday party so much fun! The girls had a great time and Alyson LOVED you! She was so cute last night going to bed ... she asked if you could come back for her 7th birthday :-) You did a perfect set for them, still young and interactive, but very age appropriate. You are truly so talented and have a wonderful way with the children. We would have you again in a minute! Thanks!

*We hired Stacey to perform at our son's second bday party and at our daughter's 4th bday party. We have seen her perform at other bday parties, family festivals, Parent Talk events, and on stage in concert. We were also enrolled in her Musics for Aardvark's class for multiple sessions. We just adore Stacey! Her performances are energetic, fun and interactive. The children love her, all ages and genders. She has her own music, performs covers (i.e., Laurie Berkner), performs "typical" kids music and also works with you to cater to your child's taste/theme. She incorporated princess songs for our daughter's princess party and train-themed music for our son's Thomas party. She brings props such as sticks, instruments, scarfs and a bubble blower that the kids enjoy. Parents also enjoy her voice/performance. Stacey always arrives on time with a smile on her face. The kids flock to her. My children get so excited when they see her. I strongly recommend hiring Stacey for your party. You will be glad that you did! ~ **Julie, Natick, MA***

*Hi Stacey! Thanks so much for coming out and playing at the BCCC/ Catching Joy event! You were awesome and the kids loved rocking out with you! Thanks again for the cd donations- I can't wait to play them Monday! You helped make our event a huge success :) You are the best!
